

Non-Disclosure Agreement - EscapeBase44.com

Parties

Recipient: EscapeBase44.com (Daniel Frishtik, Founder).

Discloser: Customer uploading a Base44 export ZIP ("Customer").

Purpose

Use of the Customer's Base44 export ZIP and anything derived from it solely to perform the migration requested by the Customer.

Confidential Information

The Base44 export ZIP provided by Customer and all information, code, and data derived from it while performing the migration ("Confidential Information").

Obligations

Use only: Recipient will use Confidential Information only to perform the migration for Customer. No other internal use, analytics, or reuse.

Non-disclosure: Recipient will not disclose Confidential Information to any third party.

Retention: Recipient will not retain Confidential Information longer than 24 hours. It is held only to perform the migration and deleted promptly after delivering the migration output.

Security: Recipient processes the ZIP in-memory during migration and stores/transmits it securely while performing the migration.

Ownership: Customer retains all rights to code, data, and migration output.
